

COVER LETTER

Dear Professor,

Our Team would like to submit enclosed report titled “Exploring Correlation among different software measurement metrics”. We did correlation among following six metrics.

1. Statement Coverage
2. Branch Coverage
3. McCabe Complexity
4. Mutation Score
5. Relative Churned Code
6. Defect Density

The below table contains information about team members.

Name	Student ID	Email ID
Nirav Ashvinkumar Patel	40081268	niravjdn@gmail.com
Himansi Patel	40072262	himansipatel1994@gmail.com
Krishnan Krishnamoorthy	40089054	krish27794@gmail.com
Jayaprakash Kumar	40083709	jayaprakash6034@gmail.com
Darwin Anirudh Godavari	40093368	darwinanirudh@gmail.com

Following is a link to the github repository and site where HTML reports and Python notebooks can be explored.
